ADVICE

Please note that we highly recommend making restaurant reservations in advance, especially during the high season, as most restaurants experience very high demand and last-minute availability may be extremely limited. We are happy to assist you with the reservation process to help secure your preferred dining experiences.

Additionally, please be aware that most restaurants require a completed credit card authorization form to confirm your reservation. Depending on the restaurant's policy, a no-show or late cancellation fee will apply, typically ranging from CHF 25 to CHF 100 per person. This generally applies to cancellations made less than 24 hours in advance or in the event of a no-show.

If your plans change, we kindly ask that you inform us as early as possible so we can make the necessary arrangements for you.
