MADRE NOSTRA

It's about thinking big with attention to the finest detail here. The Madre Nostra presents itself as an elegant alpine ambience and celebrates Italian cuisine - in all its deliciousness, contemporary and refined. The ingredients for pasta, grilled food and trimmings come directly from the region, and the interior is based on alpine chic. A highlight among the Italian restaurants in Zermatt.

MORE ROOMS

RITUAL ROOM

The reduced architecture in the ritual room creates a peaceful atmosphere in the flow and enhances the perception of the moment. The flexible interior allows the room to be used in a variety of ways.

GRAPES & JUNIPER

One could almost overlook it. The entrance to the Grapes & Juniper is reserved for those who look closely. There are different types of gin and wines from all over the world to discover. The atmosphere is relaxed and the cocktail masters behind the bar are happy to help.

PURPOSE

Ritual Room: A different kind of wedding
Grapes & Juniper: Apero and Party in our Wine Cellar
